Menifee US 460 10-8802.00

QUESTION:

The bulletin announcement for Menifee, US 460, Item 10-8802 project indicates that “The Selected Consultant shall prepare an Environmental Overview documenting the impacts associated with the proposed build alternatives.” Yet, no environmental prequalification requirements are included in the procurement. Should there be environmental prequalification requirements included in the announcement in light of the need for the consultant to prepare an EO?

RESPONSE:

Yes, environmental prequalification requirements should be included for the Environmental Overview and the following services have been added to the advertisement.

ENVIRONMENTAL ARCHAEOLOGY & OTHER SERVICES

- Prehistoric
- Historic
- Air Quality Analysis
- Cultural Historic Analysis
- EIS Writing and Coordination
- Socioeconomic Analysis
- Highway Noise

ENVIRONMENTAL AND UST SERVICES

- Hazmat Preliminary Site Assessment (Phase 1)
- UST (Underground Storage Tank) Preliminary Site Assessment

ENVIRONMENTAL AQUATIC TERRESTRIAL ECOSYSTEM ANALYSIS
